BG2V

## ONE TEAM, ONE SET OF VALUES

Founded in 2010, BG2V today boasts a team of over sixty lawyers who share common values. These values form the common foundation for all our lawyers and underpin BG2V's positioning and offering.

## MULTI-DISCIPLINARY SKILLS

We provide our clients with pragmatic and creative solutions that take account of all the legal, social and tax issues involved. Our combined advisory and litigation practice - a strong hallmark of our identity - enables us to anticipate and adapt to all developments in a case.

## UKRAINIAN DEPARTMENT

Our Ukrainian Department supports French-speaking companies wishing to invest in Ukraine in key sectors for the country's reconstruction: infrastructure, energy, agriculture, digital/innovation and health. Our Ukrainian Department is also able to assist Ukrainian companies and entrepreneurs.

# PRACTICES

## CORPORATE / M&A/ PRIVATE EQUITY

The Corporate/M&A/Private Equity team assists you with your strategic transactions : acquisitions, disposals, mergers, contributions, fund-raising, reorganisation, etc., in advisory, contentious and pre-litigious matters. Our aim is to secure and optimise your strategic transactions.

## LITIGATION

Our lawyers advise, assist and represent companies and their managers before all courts in all areas of business litigation. Our team will help you develop defence strategies and, where appropriate, use alternative dispute resolution methods.

## REAL ESTATE

BG2V's Real Estate Department assists institutional investors, investment funds, family offices, financial institutions, property developers, etc. with complex real estate transactions: asset acquisitions and disposals, equity investments, development operations, etc.

## CRIMINAL LAW

In addition to our expertise in business litigation, our criminal law team assists and represents our clients in criminal matters. We represent them in criminal proceedings and guarantee them the best defence, thanks in particular to our fighting spirit and total availability.

## RESTRUCTURING & INSOLVENCY LAW

Our lawyers provide global and operational solutions in an increasingly adverse environment. Our aim is to put our expertise to work in support of takeover or recovery strategies.

## TAX LAW

Our Tax Department handles all your corporate tax issues, including mergers and acquisitions, restructuring, group taxation, LBOs, OBOs and transaction taxation, as well as property and executive taxation.

## LABOR LAW

Our employment law team works in all areas of employment law and social security law. As recognised experts, our lawyers can assist you in the day-to-day management of individual labour relations and all matters relating to collective labour relations.

## INTELLECTUAL PROPERTY / NEW TECHNOLOGIES

Our lawyers can help you protect and defend your literary, artistic and industrial property rights. They also have recognised expertise in information technology and data protection law.

## COMPLIANCE

Taking account of new regulatory requirements requires the implementation of a comprehensive and coordinated compliance programme. Our multi-disciplinary expertise guarantees you the implementation of appropriate procedures.

## PUBLIC LAW

Our lawyers provide advice and litigation support in all areas of public law, including town planning and environmental law, public procurement and administrative contract law, regulated sectors, local authority law and constitutional law.
