

Stalowowska Agencja Rozwoju Regionalnego

**Strategic. Technological. Ambitious.  
Developing the Region.**

The main goal of the Stalowa Wola Regional Development Agency (StARR) is to support the long-term economic growth of the Stalowa Wola region. Focusing on fostering innovation, attracting investment and building an environment to entrepreneurship and international cooperation.

- ✦ Growth of local businesses - stimulating the development of companies, especially SMEs.
- ✦ Building the city's economic brand - increasing the city's recognition as a center of innovation, entrepreneurship and dynamic development.
- ✦ Effective management of external funds - coordinating projects co-financed by European funds and other sources.
- ✦ Integration of local stakeholders - creating a platform for cooperation between entrepreneurs, local government, universities and non-governmental organizations.
- ✦ Increasing endogenous potential - developing areas that are natural advantages of the region (e.g. natural resources, human capital, economic traditions).

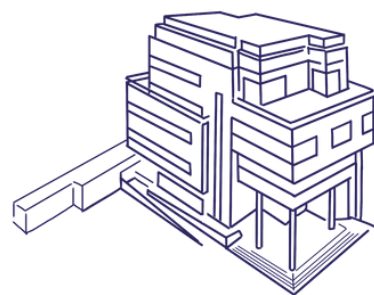

✦ **The mission of the Stalowa Wola Regional Development Agency is to strengthen the economic brand of the city and region through:**

- modern approach in supporting entrepreneurship
- developing endogenous potential
- promotion of the City of Stalowa Wola and the region
- effective acquisition of external funds
- building an environment conducive to entrepreneurship and international cooperation
- supporting innovation
- attracting investors

✦ **Supporting local entrepreneurship through:**

- Training and mentoring programs for entrepreneurs:
- Organizing workshops and seminars on fundraising, project management and innovation.
- Collaborating with universities to create support programs for students.
- Assistance and counseling in starting a business.
- Networking of entrepreneurs and institutions:
- Creating a platform for the exchange of contacts and information between local entrepreneurs, institutions and Investors.
- Organization of periodic business and networking meetings.
- The Agency's activities focus on creating a favorable business environment, supporting local entrepreneurs, organizing industry events and actively attracting Investors.
