Join me at Wind Meets Gas 2024 and learn, innovate, and connect to build a better future!

I'm headed to #WINDMEETSGAS2024 on October 3–4! Don't miss this event on hydrogen and offshore energy organised by @New Energy Coalition. It is an incredible opportunity to connect with passionate professionals, gain insights from Northwestern Europe's experiences and make a meaningful impact on the world.

Network with me and other professionals as we all take the next step in the energy transition.
