

LUISA FORTUNY STUDIOS

# COMPANY HISTORY

Luisa Fortuny, began her business in 1990, opening an Atelier in the Venetian hinterland, applying herself to the search for a new way of tailoring and prototyping. She created an evolution that combines East and West, enhancing cultures, traditions and human values

# VISION

Our company aims to intertwine the Italian style with the customer's requests, to create a unique and distinct design, elegant and refined, followed by the care of the product made by our technicians ready to produce garments made with an impeccable line.

# MISSION

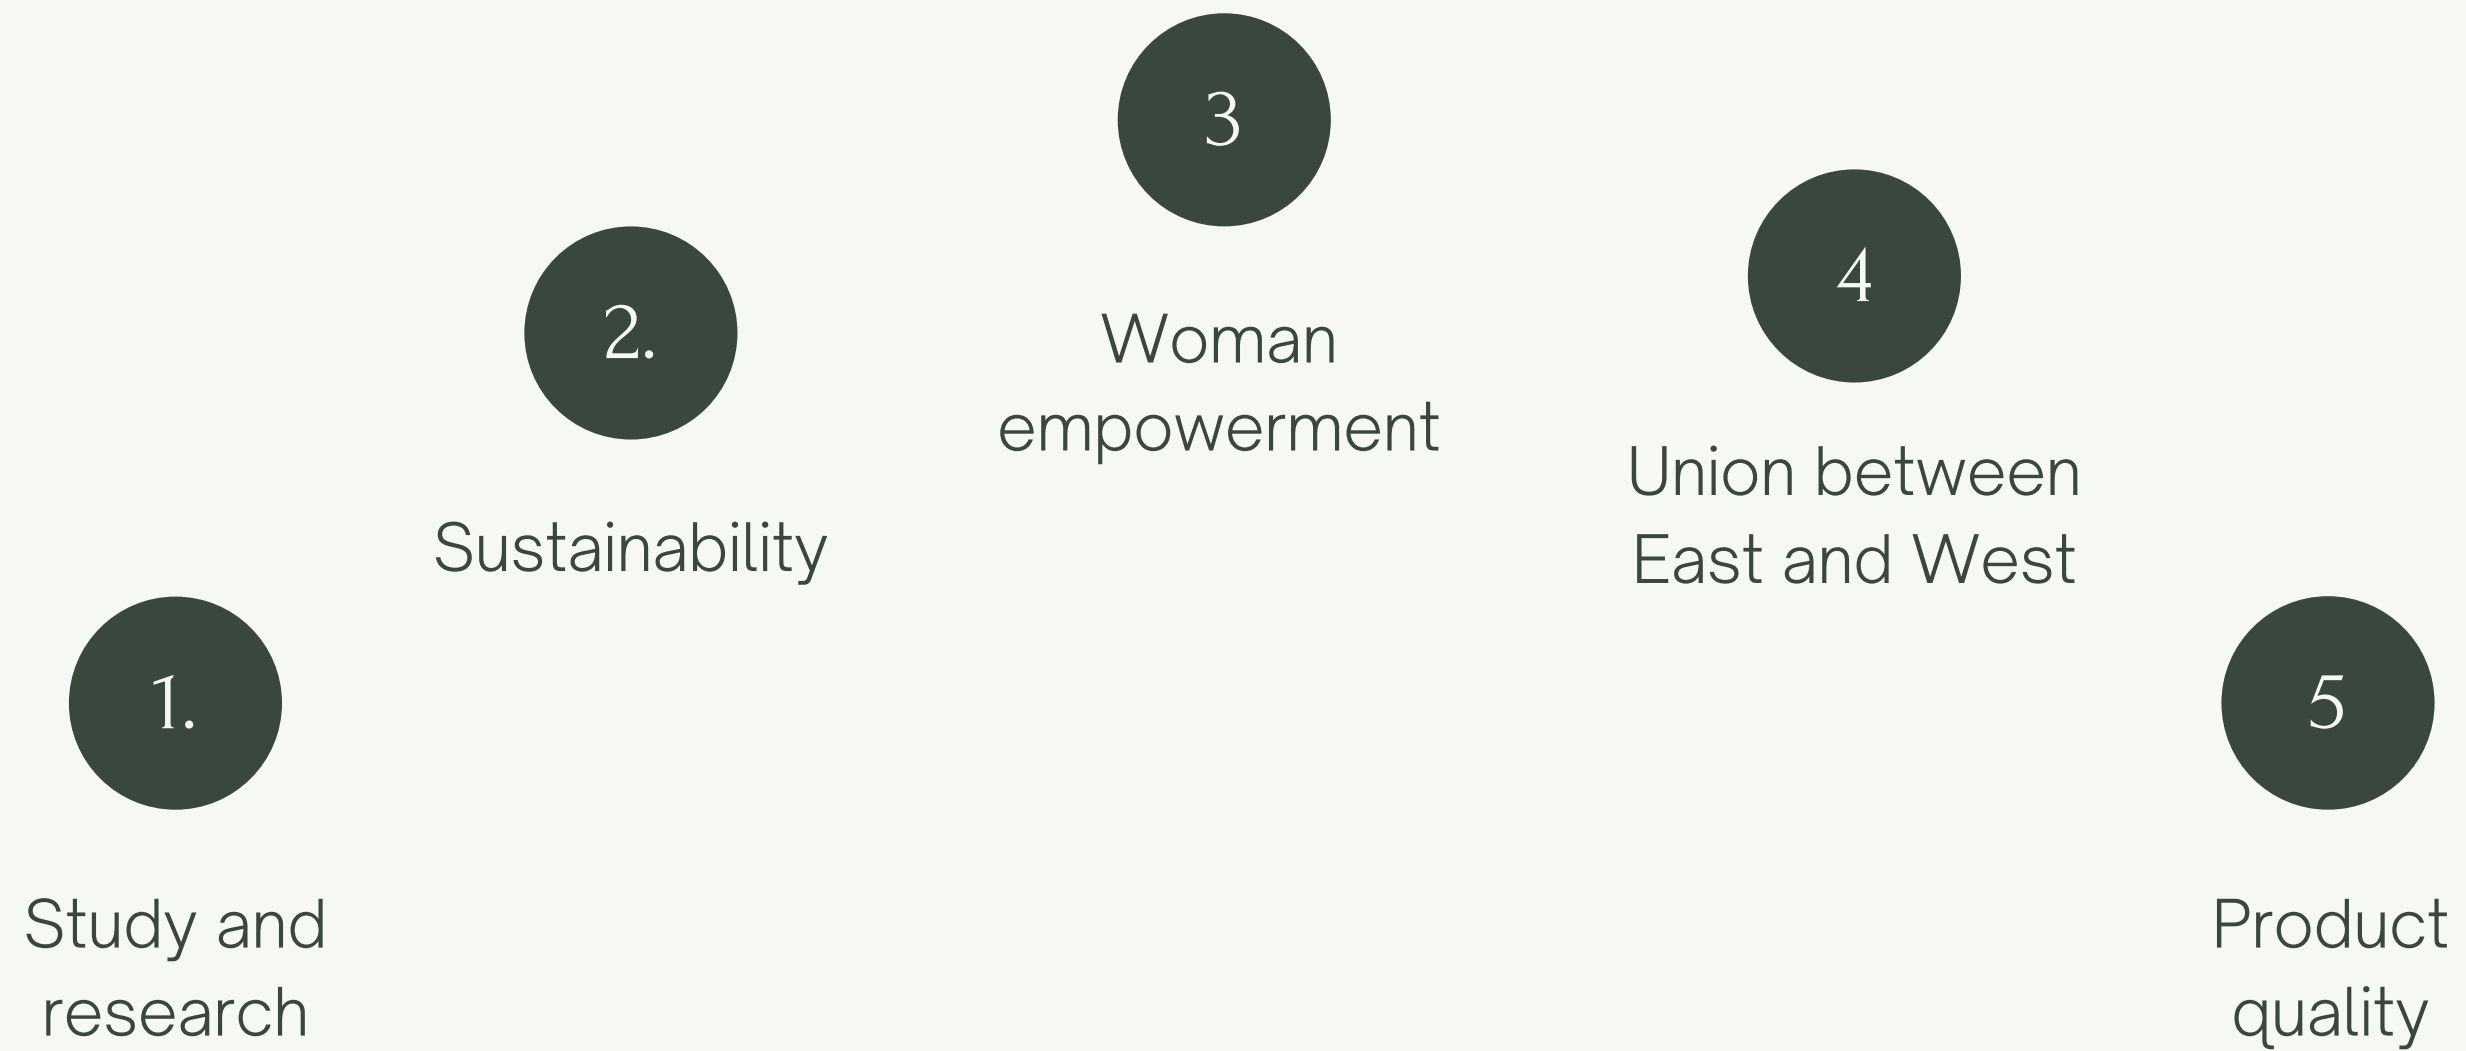

Creating innovation in fashion,  
with sustainable and avant-garde  
fabrics. Building creative and  
global teams. Make a positive  
impact in the community where  
we live and work. Creating  
durable and iconic garments,  
thanks to a deep study of the  
product and production
