

A close-up photograph of a person's hands using a black and teal power sander on a light-colored wooden surface. The person is wearing a black wristband. The background is blurred, showing more of the wooden surface and the person's arm. The text 'STARWOOD company' is overlaid in white on the lower right portion of the image.

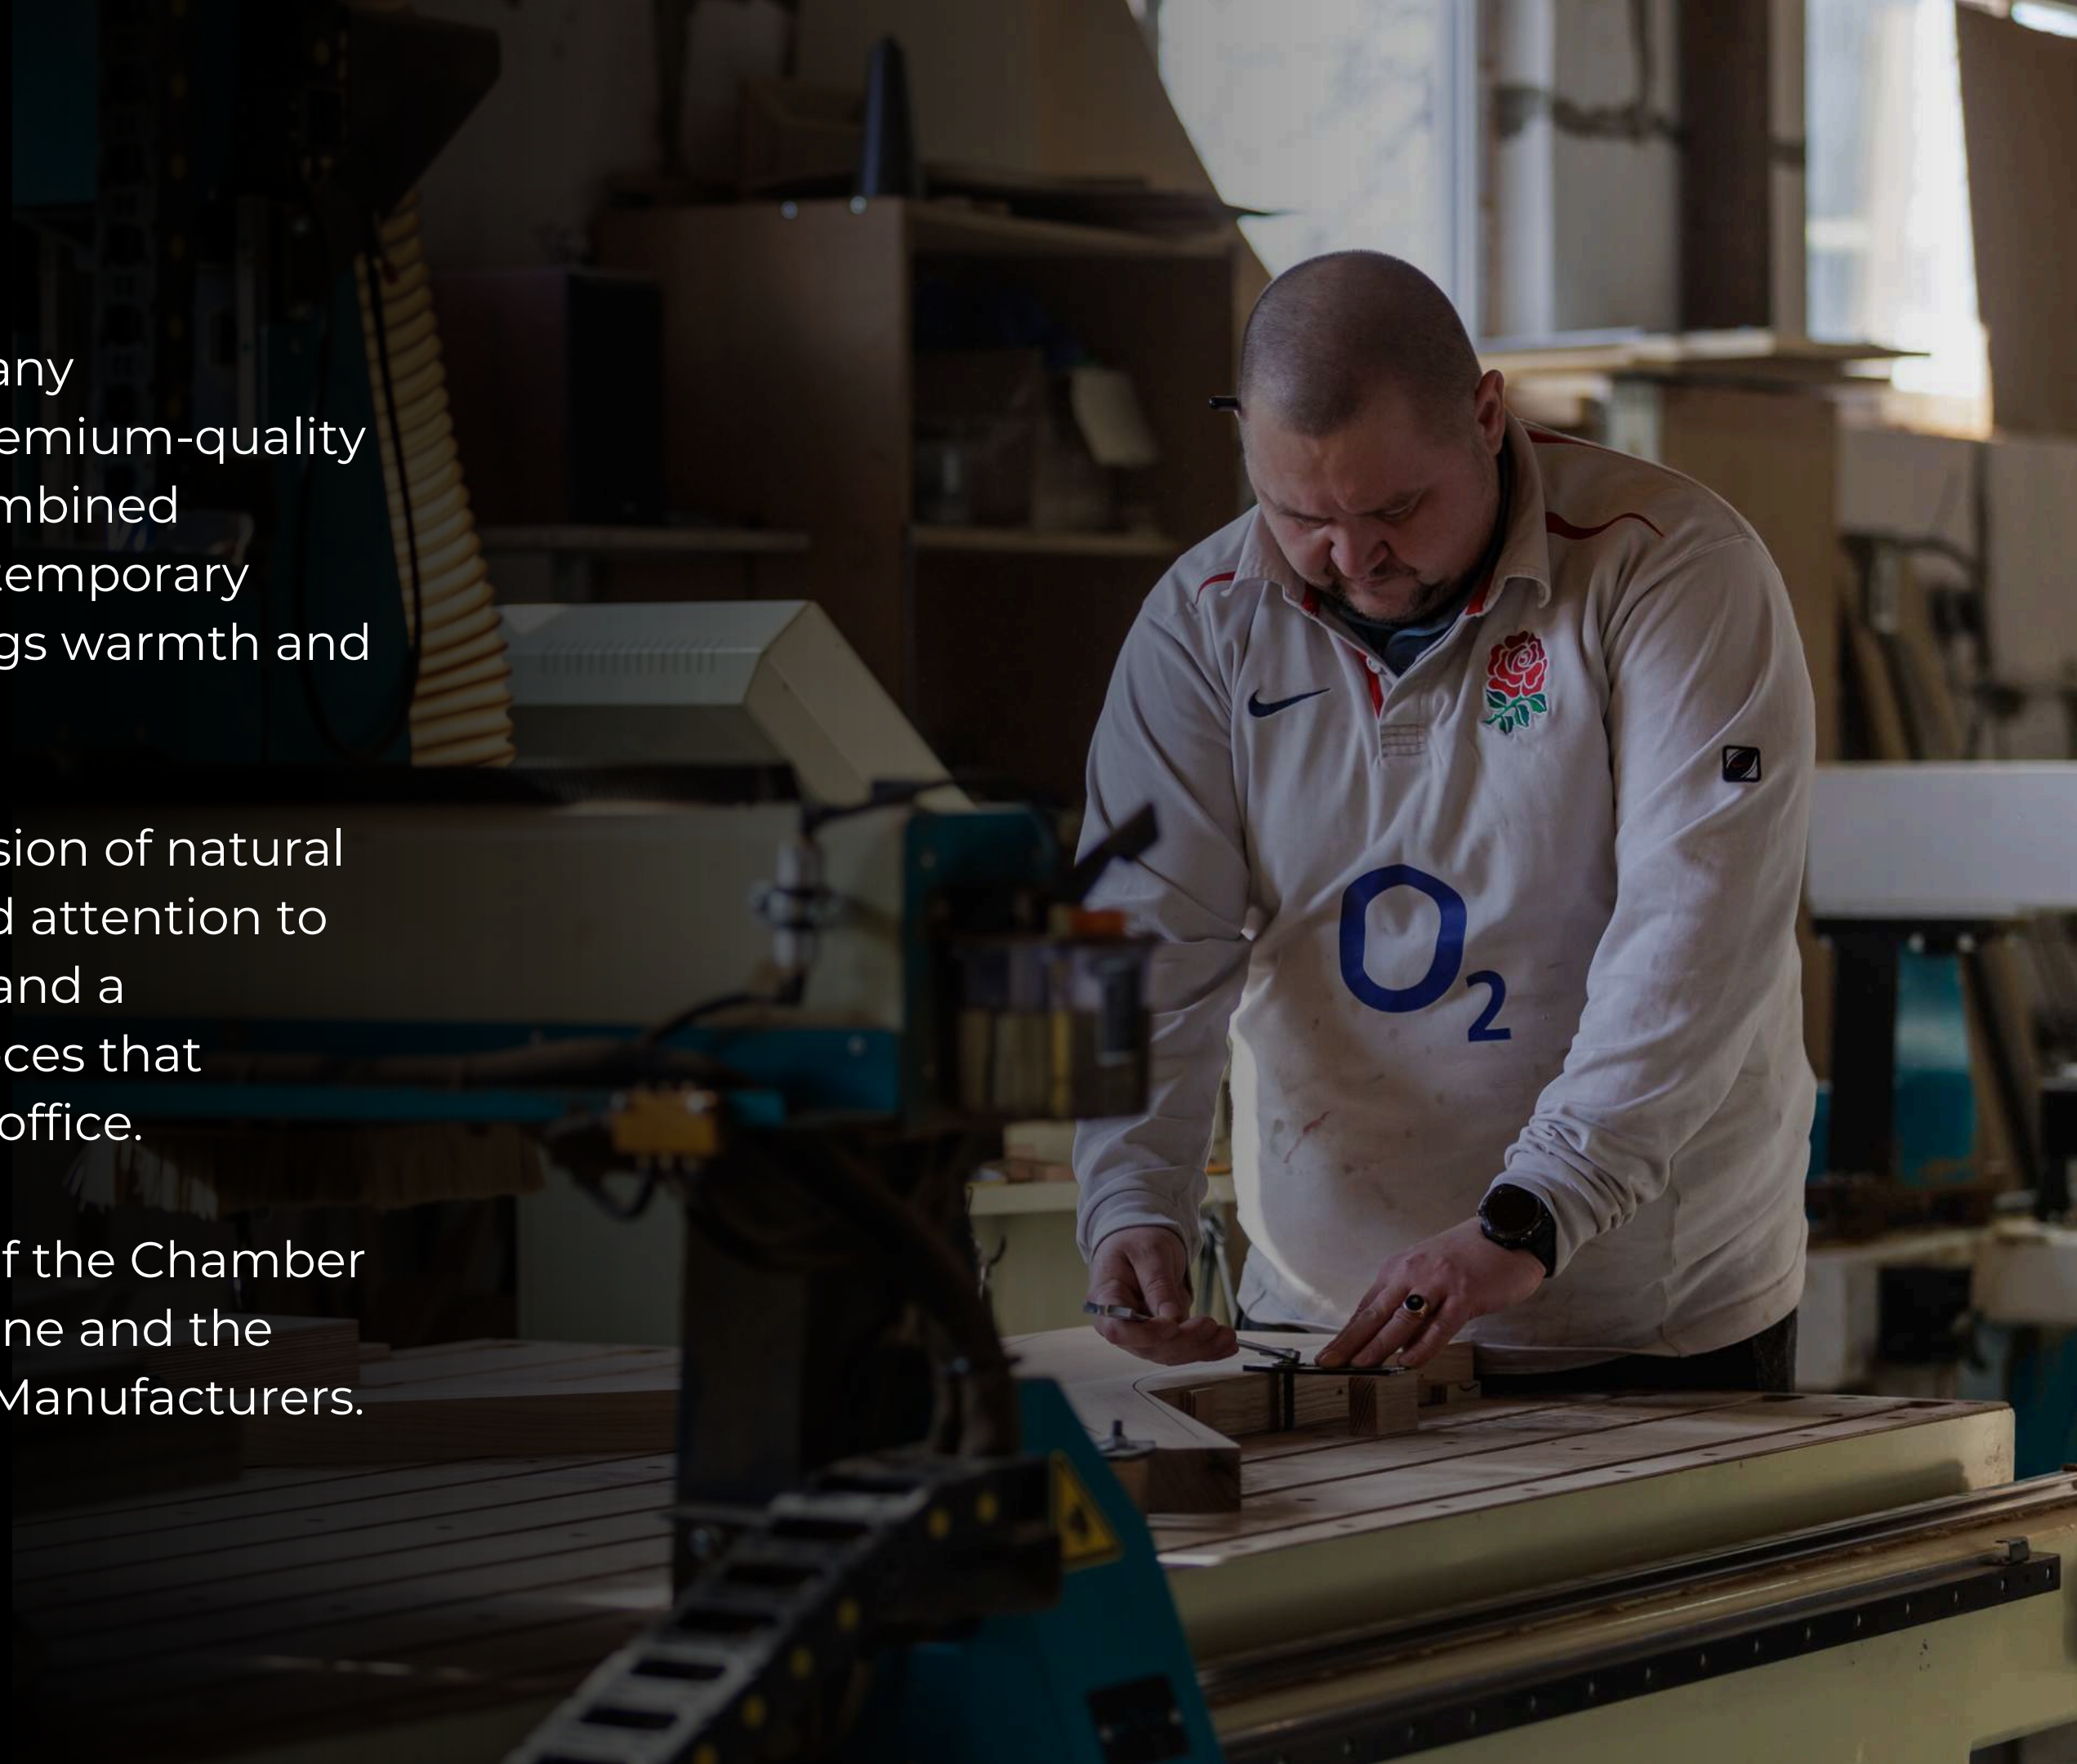

STARWOOD

company

StarWood is a family-owned company specializing in the production of premium-quality tables. For many years, we have combined traditional craftsmanship with contemporary design, creating furniture that brings warmth and comfort into every space.

Each Starwood table is a unique fusion of natural materials, skilled workmanship, and attention to detail. We value quality, durability, and a personalized approach, crafting pieces that become the heart of your home or office.

Our company is a proud member of the Chamber of Commerce and Industry of Ukraine and the Ukrainian Association of Furniture Manufacturers.

Our products

Since 2017, we have been producing:

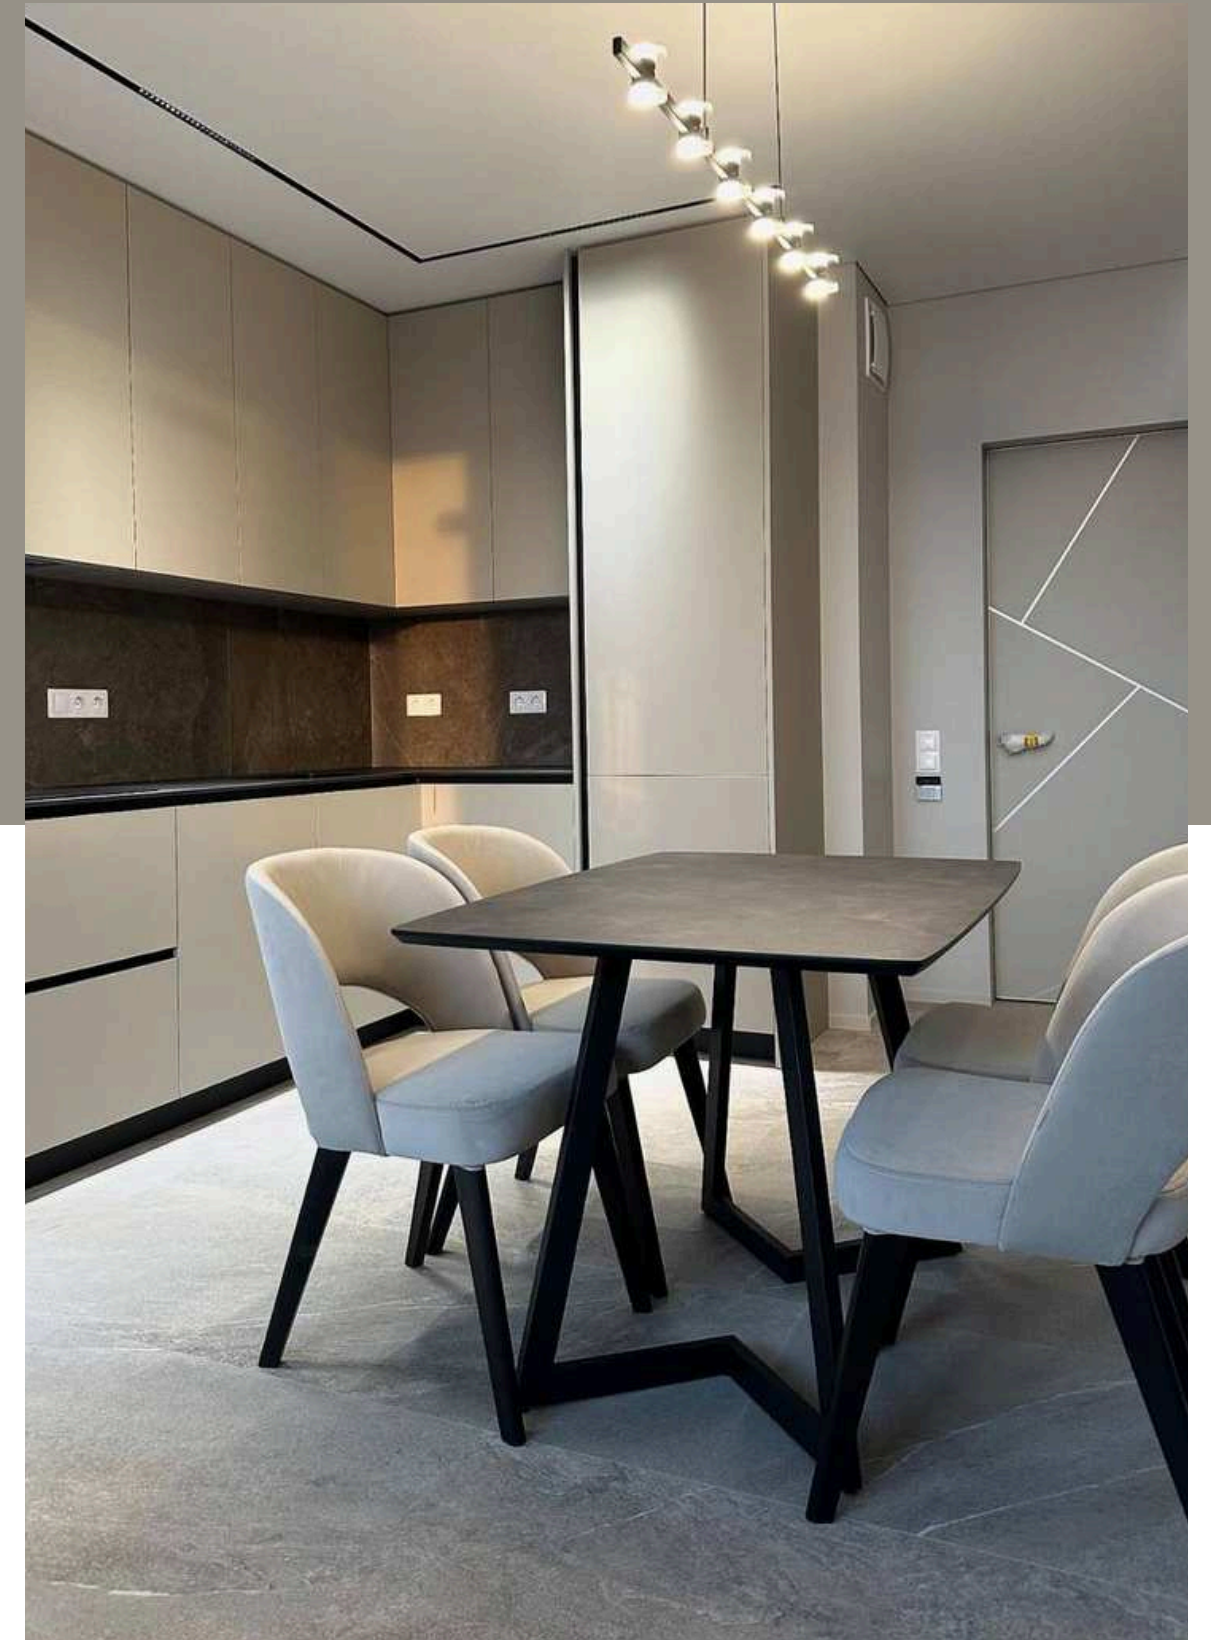

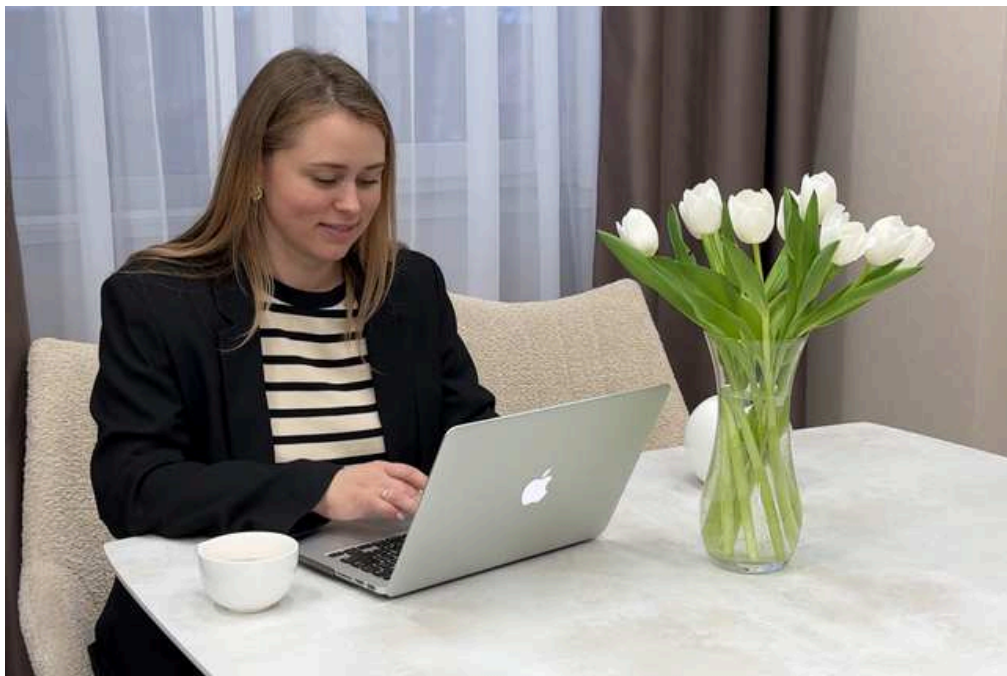

- Dining and kitchen tables
- Coffee tables
- Consoles
- Sideboards
- Interior clocks
- A line of vandal-resistant tables for hotels and restaurants

Production is possible both in series and according to individual projects.

Our mission:

To craft high-quality products with love — made to serve generations. We create an atmosphere of coziness and comfort, adding uniqueness and sophistication to your interior, while bringing families together around the table.
