

Your go-to partner to grow your e-commerce business.

Selling online involves various dynamics to navigate, including making secure and on-time payments, receiving funds worldwide, working with different marketplaces, mitigating currency fluctuations, and many more.

At Ebury, we understand your unique challenges and aim to make your journey easier.

Our solutions

Our comprehensive suite of payments and collections, currency accounts and FX under one roof, along with our state-of-the-art technology, makes everyday life easier and helps online sellers scale faster.

Payments and Collections

Pay worldwide in 130+ currencies, including major and emerging markets.

Negotiate better pricing by paying your suppliers like a local in 37+ currencies.

See exchange rates real-time before you make a transaction.

Currency accounts

Opening a currency account in 29+ currencies, including HUF, PLN, GBP, RON, CZK, BGN, USD, EUR, JPY, USD, CAD, AUD, and more.

Partnership with Amazon - receive payments locally in 11+ currencies, GBP, EUR, AUD, SGD, USD, PLN, CAD, CZK, and more.

Access a single platform to manage all your global cash flows in multiple currencies.

FX and Risk Management

Make spot transactions in 130+ currencies at competitive rates.

Manage your currency exposure in 60+ currencies.

Get hedging strategies tailored to your needs, risk appetite, costs and goals.

Empowering e-commerce success.

A solution that works for you. No matter the size or goals of your online business, our integrated solution is designed to help you expand globally, achieve your ambitions, and stay ahead of the curve. With Ebury, you improve efficiency, reduce costs and improve profits.

- ✓ **Custom:** Our payments and FX products are designed specifically to help you propel your online business growth.
- ✓ **Easy:** Say goodbye to cumbersome paperwork, extra charges and hidden fees – giving you more control and peace of mind.
- ✓ **Proactive:** Say bye to automated responses and the long wait times. At Ebury, you'll enjoy direct access to a dedicated team, delivering the proactive, fast and personal support you deserve.
- ✓ **Centralised:** Pay, receive, track, manage accounts, check or convert balances, and more with our easy-to-use and robust online platform.
- ✓ **Smart:** Get a unified view of all your overseas cash flow data. Plus, it downloads statements in MT940 format, helping you save time spent on reconciling data.
- ✓ **Innovative:** Streamline account payables and receivables and reduce manual effort with powerful integrations with accounting systems such as Xero.

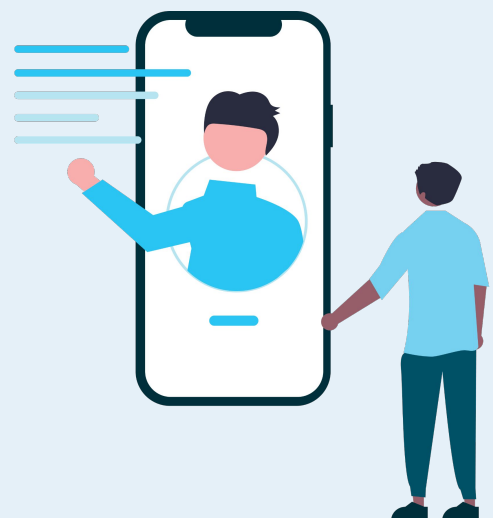

Our investors

Ebury is well-funded and supported by some of the most prestigious investors in the world, including Banco Santander, Vitruvian, AngelCoFund, and 83 North.
