Why choose Multiplier as your Employer of Record

All-in-one Global Human Platform

Manage your global workforce with localized insurance, tailored local benefits, global payroll, and HRMS integrations—all-in-one comprehensive ecosystem.

Onboard in under 5 minutes

We've timed it— you can now generate a new contract and onboard employees in under 5 minutes. We guarantee seamless onboarding, putting employees to work ASAP.

Compliant by design

Get a better night's sleep, courtesy of our local expertise. Our compliant entities, legal experts, and localized benefits have got you covered.

99.95% payroll accuracy

Led by financial experts, our payroll team ensures meticulous regional accuracy, actively verifying data to eliminate human error and consistently maintain industry-leading standards.

35% lower Total Cost of Ownership

Our best-in-class tech, human-first support, and painless pricing makes Multiplier a smarter investment for your business.

#1 EOR on G2

We're rated the most implementable EOR on G2 among 50+ players, after measuring user adoption, implementation speed, and ease of set up.

Human-first customer service

In a tech-driven landscape, we stand out with our human-first approach to support. No bots, no IVR.

Experience industry-leading 24/5 assistance guided by real people, complemented by dedicated Employee Onboarding Managers, Customer Success Managers, and HR advisors. Every interaction is infused with empathy, ensuring you feel understood and supported.

Named a 'Leader' by leading industry analyst IEC Group!

The IEC Group has recognized us as a “Leader” in its Global EOR Study 2024 of the top 25 EOR companies worldwide. IEC has also awarded us its “IEC star” designation, an honor reserved for just three companies who demonstrate significant advancements in the field.

Customer wins

- ✓ **Aspire** saw \$1M in annual savings by employing global talent
- ✓ **Axero Solutions** eliminated cross-border employment risks
- ✓ **FarEye** achieved 40% annual cost savings with Multiplier.
- ✓ **Mindvalley** scaled to six new countries and hired 18 new employees
- ✓ **MoEngage** reduced legal fees, saved costs, and onboarded 50+ employees across 19 countries.

“Multiplier exceeded every expectation set. Initially, we were looking to add five employees a month. This quickly grew to 10. Onboarding so many people in a month can feel challenging; however, Multiplier made this simple from day one. Our retention rate has grown, attributing to the fantastic quality and efficiency of Multiplier’s solutions.”

Damian Walsh
COO at DB Results
