Agenda Overview

	PILLAR 1: Technologies for sustainable growth	PILLAR 2: Innovative industry for citizens	PILLAR 3: Ecosystem/framing conditions	Networking & policy support	
First day – 30 Oct 2018					
09:00	*Registration*				
10:00	Welcome				
10:20	Plenary – keynote 1				
10:40	Plenary – keynote 2				
11:00	Plenary – panel discussion				
12:00	Lunch break				Exhibition
13:30	1.1 – Green growth and circular economy	2.1 – Risk governance and management of innovation	3.1 – Networks/lab to fab/ecosystems	Matchmaking 1	
		2.2 – Medical technologies			
15:30	Coffee break				
16:00	1.2 – Sustainable and efficient energy	2.3 – Role of design inside industry processes	3.2 European Innovation Council (EIC) – SME Instrument	Matchmaking 2	
		2.4 – Skills needs	3.3 – Co-funding/other funding		
18:00	End pillar 1	End pillar 2	End pillar 3	Matchmaking 3	
18:30	Dinner				
21:30	End day 1				
Second day – 31 Oct 2018					
08:00	*Registration*				
09:00	Welcome				
09:20	Plenary – keynote 3				
09:40	Plenary – keynote 4				
09:40	Plenary – keynote 5				
10:20	Coffee break				Exhibition & site visits
11:00	1.3 – Environment and decarbonisation	2.5 – Standard setting	3.4 – Co-programming partnerships	World Café	
12:00	1.4 – Resources/critical materials	2.6 – Artificial intelligence/Ethical issues of data management	3.5 – International cooperation		
13:00	Lunch break				
14:30	1.5 – Efficient manufacturing and automation	2.7 – Biotechnologies and biomaterials	3.6 – Metrology – next steps	Fishbowl – Governance systems	
		2.8 – Frugal innovation process		Fishbowl – Networks/lab to fab/ecosystems	
16:30	Coffee break				
17:00	Plenary – final wrap-up and ending				
17:30	End day 2
