

Pillar 3

Session 3.1 Networks/ lab to fab/ecosystems

Anne-Marie Sassen

Deputy Head of Unit

European Commission, DG CONNECT

Anne-Marie is Deputy Head of the "Technologies and Systems for Digitising Industry" unit in DG CONNECT, European Commission. She coordinates the work of the European Commission, the Member States and Regions in setting up a network of Digital Innovation Hubs in Europe to enable all companies to benefit from digital technologies to improve their production, business processes and products. Before joining the European Commission Anne-Marie worked as project manager for Atos in Spain and researcher for TNO in the Netherlands. She studied Computer Science at the University of Leiden, the Netherlands and received her PhD from the Technical University in Delft in the field of Human-Machine interaction.
