Experience the Future

Invitation to INDTECH2018

Only one week to go for INDTECH2018, to open its doors in Vienna. From 29 to 31 October 2018, the conference, presented by the European Commission, the Austrian Federal Ministry for Transport, Innovation and Technology (bmvit) and the Austrian Research Promotion Agency (FFG), will offer a comprehensive programme under the slogan 'Innovative industries for smart growth' to more than 1,100 participants.

'FFG is a strong partner for industrial technologies both in Austria and in Europe. We are delighted about the keen interest shown in INDTECH2018', says Klaus Pseiner, Managing Director of FFG. 'In one week, Vienna will become a hotspot for future key technologies. The diverse programme features interactive formats and an exhibition with more than 25 booths focusing on the latest research and innovation developments in the fields of nanotechnology, materials, production and biotechnology.'
