# Lang® 24” Gas Clamshell Griddle Hood

☐CSG24

CSG24

## DESCRIPTION

Lang gas Clamshell has powerful infrared elements that activate when the hood is lowered to cook quickly. Excellent for proteins, and can re-thermalize much like a cheesemelter! 3” surface-to-surface clearance provides the flexibility you need for your menu. Powerful 50,000 BTU gas infrared broiler.

## SPECIFICATIONS

Upper cooking unit[s] shall be ___ ea. [Specify quantity] LANG Manufacturing Model: o CSG24 23” wide, 50,000 BTU gas heated Clamshell® Hood[s]; to be factory mounted on ___ wide [specify: 24”, 36”, 48”, 60” or 72”] gas griddle; with infrared heating elements and stainless steel heat shields, mounted in a stainless steel hood, hinged to mounting bracket with spring assisted lift; auto-ON when unit is lowered; a 3” gap from the griddle surface; and all the features listed.

## WARRANTY

These units come with a one [1] year warranty for parts and labor.

## FEATURES

- Modular 24” design allows customizing 24-72” griddles via mounting bracket [See Table]
- Powerful 50,000 BTU gas infrared broiler, protected by stainless steel wire-form grid, rapidly browns, seals in juices and speeds cooking
- Stainless steel, hinged, spring assisted operation with 3” preset clearance from griddle surface
- Stainless steel heat deflector/splatter shields improves operator comfort
- Large, cool-grip elastomer, full width lift handle
- Instant-ON via direct spark ignition when Clamshell® is lowered
- Automatically turns OFF when Clamshell® is lifted
- Available in Natural Gas or Propane. Specify when ordering
- Factory installed on selected griddle at time of purchase

## OPTIONS & ACCESSORIES

- Clamshell Mounting Frames/Brackets
