ITEM NUMBER:

The Mustang Beverage Tower is a sleek, compact design with all the capabilities of a large beverage dispenser in a small footprint. Advanced Crew facing display incorporates optional second interface, enabling both Staff Serve Mode and Customer Serve Mode. The Mustang can dispense up to 8 post-mix beverages of your choice. It can be configured to dispense any combination of flavor shots, carbonated, and non-carbonated beverages. Customizable programs or brand updates and flavor changes are easy using a simple USB port. Options for installation directly into the countertop with or without a rear facing screen are available as well as a version that clamps onto the countertop edge with or without a rear facing screen.

PRODUCT OPTIONS AND ACCESSORIES

- Personalized Content / Promotions can be uploaded to Mustang versions with incorporated Rear Screen option via USB.

PRODUCT FEATURES

- Compact Design: for small countertop footprint (8" wide).
- Dispense Customization: up to 8 brands, including configurable flavor shots.
- Can be configured as an isolated bar or countertop beverage tower plumbed as a standard bar gun.
- Flavor changes and software updates available via USB Port.
