ITEM NUMBER:

The Starline Dual 5 Gallon Bowl Bubbler Beverage Dispenser is designed to clearly display and dispense a variety of still beverages while keeping them chilled such as flavored teas and lemonades, fruit juices, and other non-carbonated beverages. The PULL handle dispensing mechanism allows for a controlled release of beverage. Constructed from durable materials such as stainless steel, powder-coated matte finished side panels, and high-quality plastics to withstand the rigors of regular use in commercial environments. The thoughtful design minimizes parts to clean and lends to low maintenance.
