WaterTech

Water Treatment for **Ice & Steam**

The WaterTech provides superior water filtration as well as proprietary water treatment technology proven to control scale problems in ice makers and steam cookers. The WaterTech introduces FDA approved special treatment blend at a constant rate to maximize scale elimination.

BENEFITS

- Controls scale forming water before entering an ice maker or steam cooker
- Provides continuous ice or steam production
- Reduces machine maintenance
- Built in multi-stage filtration to prevent premature clogging of the filter
- Connect to cold water line
- Easy cartridge change out
