Custom Labeling

Markers can also be customized using our Smart Designer Configuration Software.

Simply click on the "Configure" button on the right and label the markers as needed. To place an order, you must first register with the WAGO Configuration Software.

For re-orders, simply use the provided item number; this number can also be found in your software projects.

Have questions about the WAGO Configuration Software Smart Designer?

Please email them to smart.designer@wago.com.
