Caracteristicile produsului

- Unior has been producing high-quality hand tools in the heart of Europe for a century and we're proud to continue our tradition of European manufacturing today, 100 years later. As part of our 100th anniversary celebrations, we're introducing a limited-edition 100th Anniversary Bike Tools Set. 100 sets will be produced, each marked with a serial number.
- Unique to the tools included in the 100th Anniversary Set are aluminum handles in a black anodized finish. The tools are organized in a laser-cut SOS foam tool tray for a perfect fit in the matching black steel case, which also features our 100th-

anniversary logo on the top. Inside you will find a great selection of bike tools that will cover most basic service operations on a bicycle. And yes, a bottle opener is included.

Set includes:

- Master Chain Tool
- Pro Socket Handle
- Cassette Lockring Tool
- Cassette Wrench (11/12)
- Bottom Bracket Socket BSA30/DUB
- Hexagon wrenches (1.5, 2, 2.5, 3, 4, 5, 6, 8, 10)
- Torx® wrenches (TR10, TR15, TR25)
- Round Spoke Wrench
- Bottle Opener
