

Pro Home Kit

1600CN

Caracteristicile produsului

- Toolset is intended for home use as well as for professional mobile mechanics.
- Tools are stored in a compact plastic toolbox inside two high quality foam trays, where each tool finds its place.

Set includes all the most common tools to service your bike:

- Three-legged hex and torx wrench of all important sizes
- Screw type chain tool, master Link pliers and chain wear indicator
- Tools for removal and installation of cassette
- Hollow tech bottom bracket wrench
- Pocket wheel truing tool and round spoke wrench
- Bike brake disc spreader
- Rotor truing fork
- Steel wire cutter
- Flat and PH screwdriver
- Set of two tire levers
