

SIGHT LED

wall and ceiling light, with switch, 600mm, white

The SIGHT 60 wall and ceiling light is a professional luminaire for surface mounting. There are two 7.5 Watt LEDs within the black, white or silver-grey frame which provide the necessary illumination strength. The rocker switch on the luminaire's housing contributes to its ease of use. Thanks to the built-in LED driver, the SIGHT 60 wall and ceiling light is ready for direct connection to the 230V mains supply.
