

VALETO® Gateway

brushed metal/black

The VALETO® Gateway is the door opener to the world of SLV VALETO® SMART HOME SYSTEMS. It receives the signal that you transmit at the push of a button, forwards it and therefore ensures that operating your lamps or devices is child's play. It is compatible with our SLV VALETO® products. SLV VALETO® is based on a future-proof system standard (ZigBee®), which provides maximum flexibility and compatibility with current or future components.

TECHNICAL DATA

Item no.:	1002411
Primary nominal voltage	100-240V ~50/60Hz ma/V
Length	10.6 cm
Width	10.6 cm
Height	2.6 cm
Net weight	0.32 kg
Gross weight	0.385 kg
IP Code	IP 20
Safety class	II
Color	grey
BIG WHITE Page	81
