

TRUST

outdoor floor stand, TC-DSE, IP55, stainless steel 304, Ø/H 6/61.5 cm, max. 11W

With the stainless steel TRUST floor stand, the opalescent PC light surface is enclosed by a hemispherical stainless steel cap. With protection class IP55, it is suitable for outdoor use. As an option an earth spike as well as a connection box for safe electrical connection to the round luminaire upright, are available. The electrical connection of the luminaire, which comes in two sizes, is directly to the 230V mains supply. A stainless-steel grid is available as a further accessory to change the lighting effect. The TRUST series contains other wall lights and can therefore be used universally.
