

BIG NAILS 50 POLE

LED outdoor floor stand, stainless steel 316, IP44, 8.5W

With the stainless steel BIG NAILS LED floor stand, the opalescent polycarbonate illumination surface is enclosed by a stainless steel cap. It is suitable for use outdoors thanks to its IP44 protection class. An earth spike is available as an option for simplified installation. The electrical connection of the luminaire, which comes in two sizes, is directly to the 230V mains supply. The BIG NAILS series also contains wall lights and can therefore be used universally.
