

WORKLIGHT PLUS

Indoor LED floor, stand, 3000K, white

As a consistent further development of our WORKLIGHT series, you get a mobile workplace light for workstations ($UGR \leq 19$) that is equipped with state-of-the-art technology and powerful LEDs with a service life of up to 50,000 hours with the PLUS version. The energy saving potential is optimized due to being equipped with intelligent light control. Thanks to the integrated presence control, the light switches on and off automatically depending on movement, and the lumen output is controlled by the daylight sensor. This ensures that there is a consistent light level at the workplace. Another highlight is the capability of setting the background level (lumen output of 10% - 70%), which also increases convenience. The combination of direct and indirect light output provides widespread and homogeneous illumination. The WORKLIGHT family is a product family, and is also available as a pendant.

TECHNICAL DATA

Item no.:	1002847
Number of different light outlets	2
Primary nominal voltage	220-240V ~50/60Hz mA/V
Secondary power / secondary voltage	226 mA/V
Length	70.0 cm
Width	26.0 cm
Height	187.0 cm
Net weight	16.393 kg
Gross weight	18.514 kg
IP Code	IP 20
Safety class	I
Impact resistance class	IK03
Impact resistance	0,3499999999999998 Joule
Assembly	Mobile
Dimming technology	Switch Dimmable
Wattage	48 W
Lumen	5400 lm
Colour temperature	3000 Kelvin
Beam angle	110 °
Color	white
CRI	>80
UGR ≤	19

Binning	3
LXXBXX data	70/50
Service life	50000 h
Ambient temperature	40 °C
BIG WHITE Page	89
