

AIXLIGHT R2 SQUARE

pendant, four-headed, QR111, square, silver-grey, max. 200W

With our AIXLIGHT R2, which is in keeping with the basic design of the AIXLIGHT R series, we offer a high-voltage pendant, which takes four QRB111 type halogen lamps. It is available in black, white, or silver-grey housing colours. The lamp holders are multi-directional tiltable ensuring the light cone can be individually aligned. Thanks to the built-in electronic transformer, AIXLIGHT R2 is ready to be directly connected to the 230V mains supply.
