

ORION CONE

pendant, TC-(D,H,T,Q)SE, beige, glass, max. 60W

The ORION CONE high-voltage pendant captivates with the exceptional visual appearance of its glass shade. When the luminaire is turned on, the semitransparent shade changes its colour from a greyish-brown to a warm beige. Because of the built-in E27 holder, the luminaire is suitable for connecting directly to a 230V mains power supply. The factory-installed 1.5 m pendant suspension can be easily shortened. This luminaire can be operated with a maximum of 60W.
