

PARA 380

pendant, A60, white, max. 160W

The PARA 380 pendant has been designed for the technical, industrial area which is reflected both in its shape and its lighting technical attributes. The luminaire is fitted with an E27 lamp holder to take matching conventional and energy-saving lamps. We also offer suitable LED alternatives and mixed-light lamps. Designed for a total power consumption of 250W, the PARA 380 is perfect for use as hall lighting. It comes painted in silver-grey, black, red, beige, natural aluminium or white colours. The PARA 380 pendant is ready for direct connection to the 230V mains supply.
