

## STRUCTEC

spot for 3-circuit high-voltage track, 24W, LED, 3000K, 36°, silver-grey, incl. 3-circuit adapter

The STRUCTEC Rich Color Spot, which is available with different colours and beam angles, and with a suitable adapter for the 240V 3-circuit track system, is equipped with a high-performance COB LED module which is especially suitable for excellent colour reproduction thanks to having a CRI of >90.

## TECHNICAL DATA

|                           |                                    |
|---------------------------|------------------------------------|
| Item no.:                 | 1000982                            |
| Primary nominal voltage   | 220-240V ~50/60Hz mA/V             |
| Vertical tilting range    | 85 °                               |
| Horizontal rotation range | 350 °                              |
| Length                    | 16.8 cm                            |
| Height                    | 16.5 cm                            |
| Diameter                  | 9.0 cm                             |
| Net weight                | 1.117 kg                           |
