

OUT BEAM

outdoor wall light, LED, 3000K, IP44, up/down, silver-grey, 15W

Single-headed, aluminium LED wall lights from the OUT-BEAM series. The light outlets lie opposite each other and are covered by glass, they produce a narrow and a wide beam in a warm-white colour and therefore create their special up/down effect. Thanks to its IP44 protection class, the luminaire is suitable for outdoor use. The luminaire is connected directly to the 230V mains supply. The OUT BEAM series includes further wall lights for metal vapour discharge lamps.
