

# Mosaic™ Programme

with antimicrobial<sup>(1)</sup> treatment mechanism and plate selection chart

Control units		ELV sockets			
	Cat.Nos 0 766 77 0 783 76	<b>Pull-cord mechanisms 2 A - 230 V</b> Switch with ejectable pull cord - 1 module. White Push-button with ejectable pull cord - 1 module. White		Cat.Nos 0 782 41	<b>Magnetic connection sockets</b> For nurse call unit (call only) - 2 modules White
	0 787 10	<b>Two-way switch 10 AX - 250 V~</b> Two-way switch - 1 module White		0 782 45	For nurse call unit (call, lighting, shutters) - 2 modules White
	0 787 11	Two-way switch - 2 modules White		0 765 84	<b>RJ 45 sockets</b> Cat. 6A shielded STP - 1 module - White
	0 787 12	Two-way switch with LED indicator (modular) 2 modules - White		0 765 83	Cat. 6 shielded STP - 1 module - White
	0 787 14	<b>Push-buttons 6 A - 250 V~</b> Push-button - 1 module White		0 765 82	Cat. 6 shielded FTP - 1 module - White
	0 787 15	Push-button - 2 modules White		0 765 81	Cat. 6 shielded UTP - 1 module - White
	0 787 16	Two-way push-button with LED indicator (modular) 2 modules - White	<b>Indication</b>		
	0 770 43	Two-way pushbutton with label-holder - 2 modules White		0 785 01	<b>Single indicators</b> 230 V (1 W) - 1 module
	0 770 27	<b>Ventilation control</b> Ventilation control - 2 modules White		0 785 51	12-24 V (0.2 W) - 1 module
	0 766 66	<b>Touch-sensitive switch</b> Touch-sensitive switch, 10 AX - 2 modules White		0 785 02	<b>Double indicators</b> 230 V (1 W) - 1 module
	0 787 09	<b>Touch control units</b> Switch with neutral - 2 modules White		0 785 52	12-24 V (0.2 W) - 1 module
	0 787 13	Non-powered NO/NC contact push-button 2 modules - White		0 785 10	<b>Illuminated signalling</b> 230 V (0.2 or 1 W) 2 modules
	0 787 05	<b>Roller shutter switch</b> Roller shutter switch - 2 modules White	<b>Blanking plates</b>		
<b>Mains voltage sockets</b>				0 787 20	Blanking plate - 1 module - White
	0 772 16	<b>2P+E German standard sockets</b> 2P+E socket - 2 modules - Green		0 787 21	Blanking plate - 2 modules - White
	0 772 17	2P+E socket - 2 modules - Orange	<b>Plates</b>		
	0 772 20	2P+E socket - 2 modules - Red - Screw terminals		0 787 22	<b>2 modules</b> 2 modules - White
	0 787 02	2P+E socket - 2 modules - White - Screw terminals		0 788 80	2 IP 44 modules - White
	0 772 31	<b>"Access Design"</b> 2P+E socket - 2 modules - White		0 787 24	<b>4 modules</b> 4 modules - horizontal - White
	0 772 12	2P+E socket - 2 modules - White		0 787 25	<b>2 x 2 modules horizontal</b> 2 x 2 modules - horizontal - White
	0 787 00	<b>Equipotential socket</b> Equipotential socket - 2 modules White		0 787 23	<b>2 x 2 modules vertical</b> 2 x 2 modules - vertical - White
	0 772 19	2P+E socket with shutter - 2 modules - White		0 787 26	<b>6 modules horizontal</b> 6 modules - horizontal - White
	0 771 50	<b>2P ELV sockets</b> 2P ELV socket - 1 module - White	<b>Complete mechanisms (mechanism + support + plate)</b>		
	0 770 80	<b>Anti-extraction module</b> Anti-extraction module - 1 module - White		0 782 48	<b>Call pull cord</b> Bathroom call pull cord IP 55, ejectable 2 modules - White
<p>1: Contains a silver compound to prevent the growth of bacteria on the surface of the plate</p>				0 766 85	<b>LED call unit</b> Call unit with red indicator 2 modules - White
				0 782 04	<b>Door unit</b> Door unit with red indicator, white indicator and a call and nurse presence cancel pushbutton
				0 782 46	<b>Magnetic connection sockets</b> Socket for hand-held remote control unit for call only 2 modules - White
				0 782 47	Socket for call, lighting and shutter hand-held remote control unit 2 modules - White
