# 137.200

## LED 220V

### LED 220V

Product Approvals

TECHDATA		STANDARDS AND LAWS	
Commercial series	PROTECTA Series	EN 60669-1 (1999)	[European Standard] Switches for household and similar fixed-electrical installations. Part 1: General requirements
Type of product	LED 220V	EN 60669-1/A1 (2002)	[European Standard] Switches for household and similar fixed-electrical installations. - Part 1: General requirements.
Synthetical description	LED 220V	EN 60669-1/A2 (2008)	[European Standard] Switches for household and similar fixed-electrical installations. - Part 1: General requirements.
Material	THERMOPLASTIC	IEC 60669-1 (2007)	[International Standard] Switches for household and similar fixed-electrical installations. - Part 1: General requirements.
Rated voltage	220V	DIRECTIVE LOW VOLTAGE 2014/35 /UE	[European Directives] Low Voltage Directive
		DIRECTIVE RoHS 2011/65/EU	[European Law] Restriction of the use of certain hazardous substances in electrical and electronic equipment
