# 204.QC45-CH STATIONARY CHARGING STATION

Chademo 45kW IP54 IK10

Product Approvals

| TECHDATA                |                             | STANDARDS AND LAWS                |  |
|-------------------------|-----------------------------|-----------------------------------|--|
| Commercial series       | LIBERA Series               | IEC 61439-7 (2018)                | [International Standard] Low-voltage switchgear and controlgear assemblies - Part 7: Assemblies for specific applications such as marinas, camping sites, market squares, electric vehicle charging stations |
| Type of product         | STATIONARY CHARGING STATION |                                   |  |
| Synthetical description | STATIONARY CHARGING STATION | EN IEC 61851-1 (2019)             | [European Standard] Electric vehicle conductive charging system - Part 1: General requirements   |
| Material                | VARNISHED METAL             | DIRECTIVE LOW VOLTAGE 2014/35 /UE | [European Directives] Low Voltage Directive  |
| EV standard             | Chademo 45kW                | DIRECTIVE EMC 2014/30/UE          | [European Directives] Electromagnetic Compatibility Directive  |
| Protection degree IP    | IP54                        |                                   |  |
| Working temperature     | -25°C/+50°C                 |                                   |  |
| Protection degree IK    | IK10                        |                                   |  |
