## **204.QC20-CC**STATIONARY CHARGING STATION

Combo2 20kW IP54 IK10

**Product Approvals** 

TECHDATA		STANDARDS AND LAWS	
Commercial series	LIBERA Series	switchgear and	switchgear and controlgear assemblies -
Type of product	STATIONARY CHARGING STATION		Part 7: Assemblies for specific applications such as marinas, camping sites, market squares, electric vehicle charging stations
Synthetical description	STATIONARY CHARGING STATION	EN IEC 61851-1 (2019)	[European Standard] Electric vehicle conductive charging system - Part 1: General requirements
Material	VARNISHED METAL	DIRECTIVE LOW	[European Directives] Low Voltage
EV standard	Combo2 20kW	VOLTAGE 2014/35 /UE	Directive
Protection degree IP	IP54	DIRECTIVE EMC 2014/30/UE	[European Directives] Electromagnetic Compatibility Directive
Working temperature	-25°C/+50°C		
Protection degree IK	IK10		
Colour	GREY		
Mounting version	ON TURRET
