

LED indicator 250V

WS691

**Principalele caracteristici electrice**

Tensiune nominala	250 V
-------------------	-------

**Putere**

Absorbtie energie	0,18 W
-------------------	--------

**Materiale**

Culoare RAL	RAL 9010 - alb pur
Culoare	rosu
Material	Cupru

**Control iluminare**

Tipul lampii	LED
--------------	-----

**Standarde**

Autorizatii	EN 60669-1
-------------	------------

**Identificare**

Serie	systo
