

PMD Series

DIESEL PORTABLE GENERATOR

WE ARE **THE ENERGY** GENERATION!

We generate **FREEDOM** for **LIVING**

Diesel and soundproof motorization stand for reliability with low operating cost in the maximum comfort. Handle and wheels allow easy move and transportation. Generous fuel tank capacity allows for long continuous running time. Built-in digital multimeter for scheduled maintenance intervals and ensure optimal operating condition. Automatic Voltage Regulator (AVR) allows for tension stability. Connector for Pramac Automatic Transfer Switch (ATS) to electrical grid - optional. Power coated finish helps to prevent corrosion in all weather conditions.

	FREQUENCY 50 Hz	
	PMD 5000s	PMD 5050s
Three Phase Max Power		4000 Watts
Three Phase Rated Power		3600 Watts
Single Phase Max Power	5000 Watts	1330 Watts
Single Phase Rated Power	4500 Watts	1200 Watts
Voltage	230 V	230 / 400 V
Running time at 50% of load	11.3 Hours	11.3 Hours
