

TECHNICAL SPECIFICATION

Support insulator for low voltage

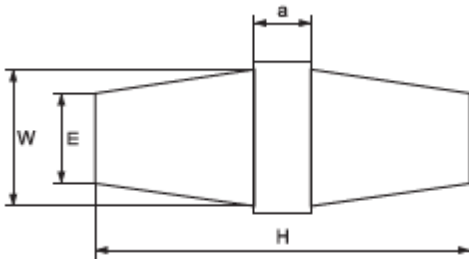

Description:

Support insulator are used in control and distribution cabinets mounting when bars isolation is required.

Technical data:

- Rated voltage: 1000V
- Insulation voltage: 5000V
- Ambient temperature: $-40^{\circ}\text{C} \div +65^{\circ}\text{C}$

Variants and dimensions:

Type	Impulse Voltage kV	Strength	Fasting strength	Bolt	Dimensions (mm)				Packing (pcs)	Catalogue number
					H	W	a	∅		
SM 25	6	500	6	6	25	30	13	23	10/600	31725
SM 30	8	550	8	8	30	32	10	27	10/500	31730
SM 35	10	600	10	8	35	32	10	28	10/400	31735
SM 40	12	650	12	8	40	40	10	33	10/240	31740
SM 51	15	1000	20	8	51	50	12	28	10/240	31751
SM 76	25	1500	40	10	76	45	16	34	10/120	31776

Standards: IEC 60394-3-1
