

EL[®]MARK

The Brand of Electricity

LAMP BASES, TWIN SOCKET AND ADAPTORS

LAMP BASES:

▪ **Specifications:**

- Base: E27
- Material: PET
- Rated voltage: 230V
- Current: 4A
- Color: white

- **Features:**

- Allows bulbs to be used with E27 lamp socket
- Lamp base shell is made of PET material
- Surface gloss
- Easy to clean and heat-resistant
- Having a good electrical conductivity
- Integrated design, simple and elegant, suitable for a variety of shops and home lighting

Catalogue number	Type	Lamp	Size (mm)		Section of power supply conductors	Barcode	Packing/ Box (pcs)
			Diameter	Length			
99199	oblique	E27	63	40	0.5-2.5mm ²	3800131207029	1/250
99200	straight	E27	78	38	0.5-2.5mm ²	3800131207036	1/250

TWIN SOCKET LAMP HOLDER:

▪ **Specifications:**

- Base: E27 to 2X E27
- Material: Iron + PBT
- Rated voltage: 230V
- Current: 4A
- Color: white

- **Features:**

- Fit for E27 to 2X E27 light base converting
- Professional made with good performance
- High quality, durable, stable and easy to use

TECHNICAL SPECIFICATION

ELMARK[®]

The Brand of Electricity

LAMP HOLDERS

- Lightweight and small design
- High temperature resistant, anti-burning PBT and anti-aging.
- Suitable for all voltage, halogen LED, CFL bulbs, etc.

LAMP HOLDER ADAPTORS E40 to E27:

- **Specifications:**
 - Type: E40 to E27 Bulb Adapter
 - Material: iron/plastic
 - Rated voltage: 230V
 - Current: 4A
- **Features:**
 - E40 to E27 light bulb base adapter / converter
 - Works with all types of light bulbs incl. LED
 - Practical and durable
 - Safe and secure
 - Super easy installation
 - Converts in seconds E40 (large) base bulb into E27 (small) base

LAMP HOLDER ADAPTORS G24 to E27:

▪ **Specifications:**

- Base: G24 to E27
- Rated voltage: 230V
- Current: 4A
- Housing material: PBT
- Contact material: copper
- Color: White

▪ **Features:**

- Fit for E27 light base converting
- Professional made with good performance
- Durable, stable and easy to use and install
- Small size and light weight
- High temperature resistant, anti-burning PBT and anti-aging
