

# EL<sup>®</sup>MARK

The Brand of Electricity

## NON-CONTACT VOLTAGE AC DETECTOR GK8

# TECHNICAL SPECIFICATION

## DIGITAL TOOLS AND ACCESSOIRES

**ELMARK**<sup>®</sup>

The Brand of Electricity

---

### Functions:

---

- AC voltage detection
- Indicate AC null line and live line
- Auto power off in 5 minutes
- Buzzer: sound beeps when is detected AC voltage
- Green light: by power ON
- RED light: by live parts detection. Higher flashing frequency indicates stronger electric field

---

### Technical features:

---

- Voltage range: from 50 to 1000V/AC
- Handle material: ABS
- Metal: carbon steel
- Light: LED
- Blade diameter: 3mm
- Length – 140mm

Type	Packing (pcs) / cartoon	Catalogue number
GK8	1/20	519GK8
