

TABLOU ELECTRIC INCASTRAT TG-1010.20

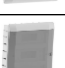

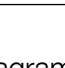

Tablou electric cu montaj incastat si grad de protectie IP40 disponibil intr-o gama larga de dimensiuni se poate Incastra in pereti din beton sau rigips. Tabloul vine cu accesorii incluse cum ar fi: sina DIN si bara de nul.

Specificații tehnice generale:

Material	Termoplastic
Culoare	Alb cu negru
Montaj	Incastrat
Temperatura mediului de operare	-25°C...+60°C
Grad de protectie	IP40
Clasa de izolare	Clasa I
Tensiune de lucru	230...400 Vca
Aparataj cu	In=63 A (max)

Seficatii tehnice nominale:
