# Highlights

## Paint your outdoors

With Philips Hue outdoor lighting, there's no limit to the magic you can add. Play with 16 million colours and all shades of white light to create the effect you want. Highlight objects, trees or pathways to make your space stand out. Use the Hue app to save your favourite light settings and recall them whenever you want with the tap of a finger.

## Warm to cool white light

Extend your evenings with Philips Hue outdoor lighting. Set the right ambience on your patio, balcony or porch and relax. From the warm white light of a summer sun, to the ice cool daylight of winter: you can enjoy any shade of white light to fit your mood throughout the year.

## Special occasions

Family or friends coming over? Set your outdoor lights to match the occasion. Whether it's a cosy dinner on the balcony, a BBQ on the patio or party in the back garden, you can add a touch of magic to every get-together with Philips Hue. Create colourful scenes or slow-moving dynamic effects to enjoy these special moments to the fullest.

## Set timers for convenience

Enjoy longer evenings outside, finish gardening or just put the rubbish outside after sunset. Have your Philips Hue lights turn on automatically by setting schedules or use the sunset/sunrise routine. And of course, you can also turn off or dim your lights this way. You'll

never have to worry whether you've left any lights on.

## Installation-free dimming

Experience guaranteed smooth dimming with Philips Hue. Not too bright. Not too dark. Just right. To dim the lights, you don't need any wiring, an electrician or installation.

## Control it your way

Connect your Philips Hue lights with the Bridge and start discovering the endless possibilities. Control your lights from your smartphone or tablet via the Philips Hue app, or add the indoor switches to your system to change your lights. Set timers, notifications, alarms and more for the full Philips Hue experience. Philips Hue even works with Amazon Alexa, Apple Homekit and the Google Assistant to allow you to control your lights with your voice.

# Specifications
