

PRODUCT INFORMATION SHEET

Adjustable workshop seat

Product description

A Telescopic Workshop Seat is an indispensable solution in every professional workshop. Thanks to mobility and seat height adjustment, work becomes more comfortable. Designated space at the base allows for smaller items storage.

Characteristics

- 4 compartments providing practical storage space for smaller items;
- 4 swivel wheels;
- telescopic height adjustment;
- durable construction made of metal and ABS;
- maximum load: 140 kg;
- height 370-520 mm.
