

PRODUCT INFORMATION SHEET

WERSE High-visibility dungarees yellow

Product description

Men's high-visibility dungarees made of the highest quality materials. They are characterized by lightness and air permeability, they ensure maximum wearing comfort. They increase safety when staying in conditions of reduced visibility, e.g. during movement at night or during bad weather conditions, e.g. rain or fog.

The yellow colour of the product is aimed at industries in which employees must be visible, for example people building roads, streets, refineries, people working in ports, on oil rigs, at mining shafts, airports or mountain rescue.
