Tender Text

Vertical cable ladder cover, complete set, unassembled, for wall-mounted vertical cable ladders, including galvanised mounting accessories. There is sufficient space under the cover so that U-clamps for up to 3 cables can be easily mounted on the vertical cable ladder. For transport reasons, the delivery is made as a kit! The side panels are mounted to the riser track on site using the accessories; after completion of the installation, the cover is snapped on using the cover retaining clips. Due to external influences, e.g. wind loads, outdoor use is only possible with additional securing (self-tapping screws, steel strap, etc.).

Set consists of:

2 side panels STVSW 200,
6 lid retaining springs RDHFS 9,
1 cover RDS ...
6 accessory sets STVDP 30.43 S

Used for :

vertical cable ladders STUC.../... with U-clamp BU .../3
STIC 86/... with U-clamp BU .../3
Dimensions (approx. dimensions)

Height H outside : 203 mm

Width B outside : 309 mm

Delivery length L : 3000 mm

Material : Steel, pre-galvanised acc. to DIN EN 10346

NIEDAX Model no. : STVWA 200 S
