

Band Clamp 9 mm

Ventilation

Metal Roll is the perfect solution to create clamps of different diameters depending on the user's needs. Strip steel is a long strip clamp available in 9 or 12 mm Band Width.

Use the 9mm Torque tie clip to close the clam.

Advantages

- Variety
- Flexibility
- Storage and stock advantage
- Provides up to 44 clamps

Application Areas

- Water Industry
- Air Conditioning
- Building
- Plumbing

Band Clamp Clip 9 mm

Ventilation

9mm

Application Areas

- Band material: Aluzinc- DIN EN 10130:1999
- Screw: 6 and 7.5 mm CQ15 Rohs Compatible Hexagon Screw
- Coating: Corrosion resistance high Cr + 3 yellow coating

Producible Quality Types
