In partnership with SplashLearn and Discovery Education, USA trusted by over 40 million students and the go-to learning solution for 1 in 3 schools in the US—Unbox English is redefining how children learn and love English.

## Why Unbox English?

We make English

engaging

accessible

meaningful

Our teaching pedagogy has

fun-filled stories

rich narratives

vibrant characters

# Curriculum

Our curriculum, crafted for ages 4 to 15, aligns with core educational standards and adapts to your child's individual needs. We make learning both fun and effective, with the help of game-based English adventures.

Designed for students from 4 to 15 years

Aligned with core educational standards

Tailored to meet each child's unique learning needs

Fun and effective

Game-based

Full of English adventures

# Our Curriculum Highlights

Unbox English offers a game-based learning experience with a unique four-step approach to mastering every concept:

## Learn

Introduce concepts clearly and in an engaging manner.

## Practice

Reinforce understanding with hands-on exercises.

## Out-of-the-box

Challenge students with creative and critical thinking activities.

## Deep Dive

Solidify knowledge through in-depth exploration of each concept.

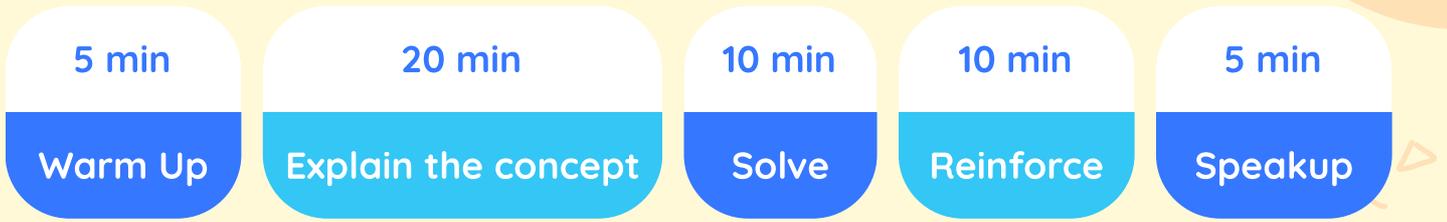

## Masterclasses

Build confidence through competitions and quizzes.

# Lesson Structure

Each class has a clear objective, ensuring your child grasps the key concepts by the end of the session. This objective targets achieving deeper understanding and lifelong retention.

## Outcome

of users see significantly higher grades in English.

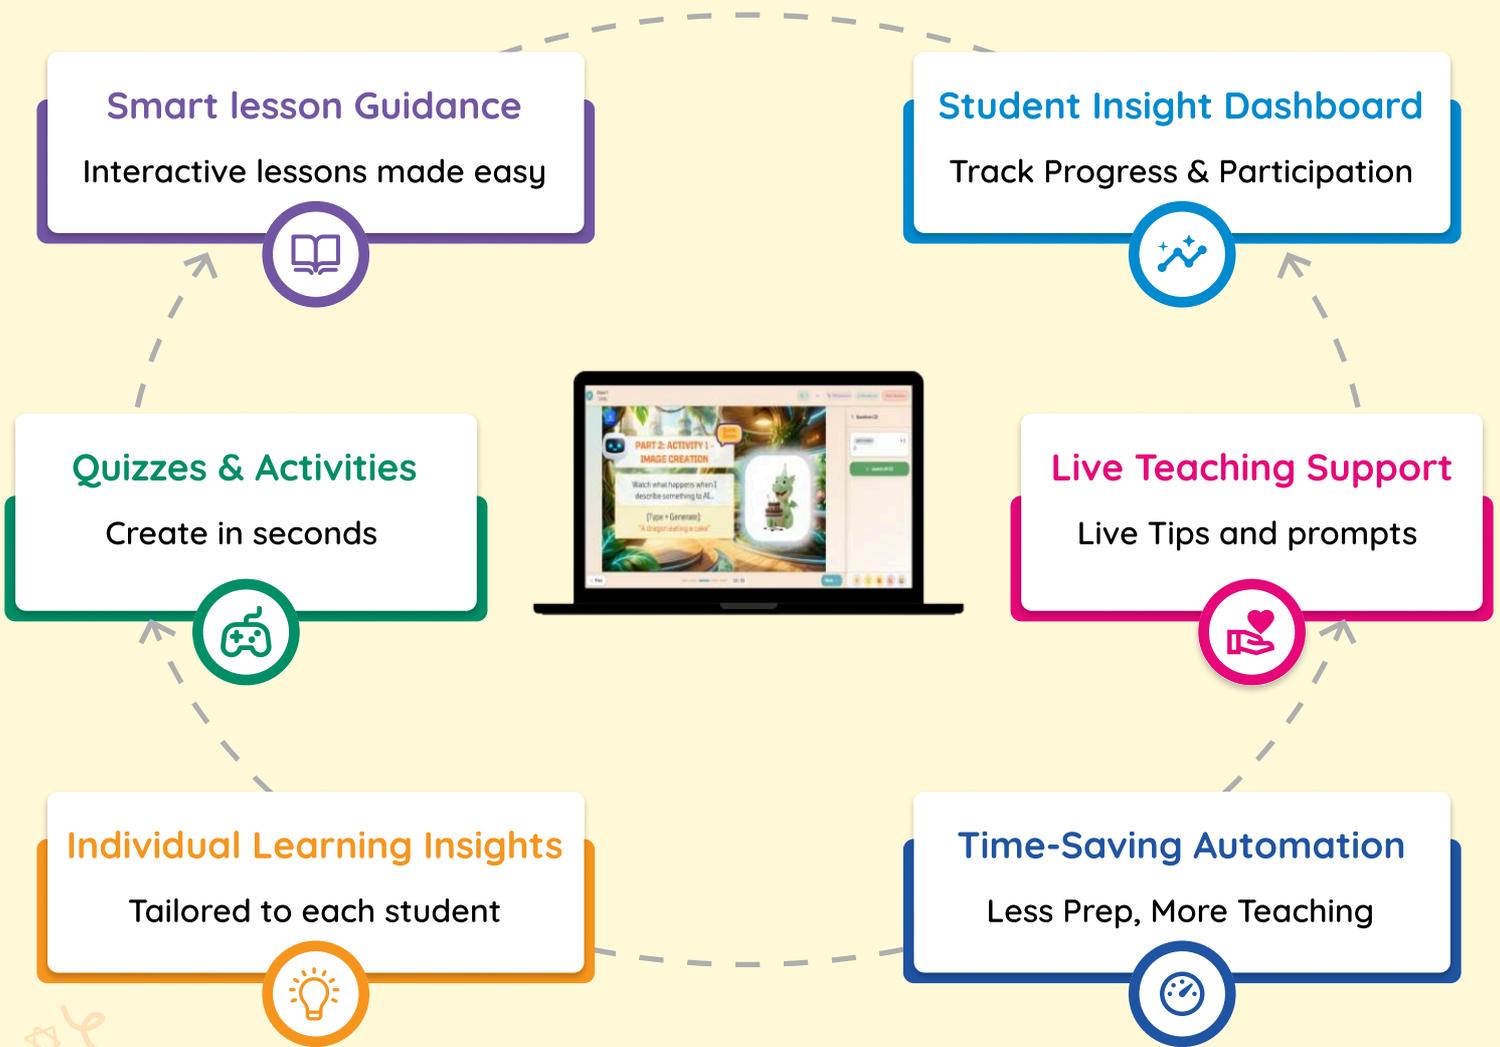

of users report a significant boost in their child's interest and confidence in learning.

of users notice an improvement in their child's thinking ability after just eight lessons.

# Introducing Zing Platform

An intelligent classroom learning companion where children participate in engaging activities, quizzes, and challenges during live sessions.

## Meet Doodle

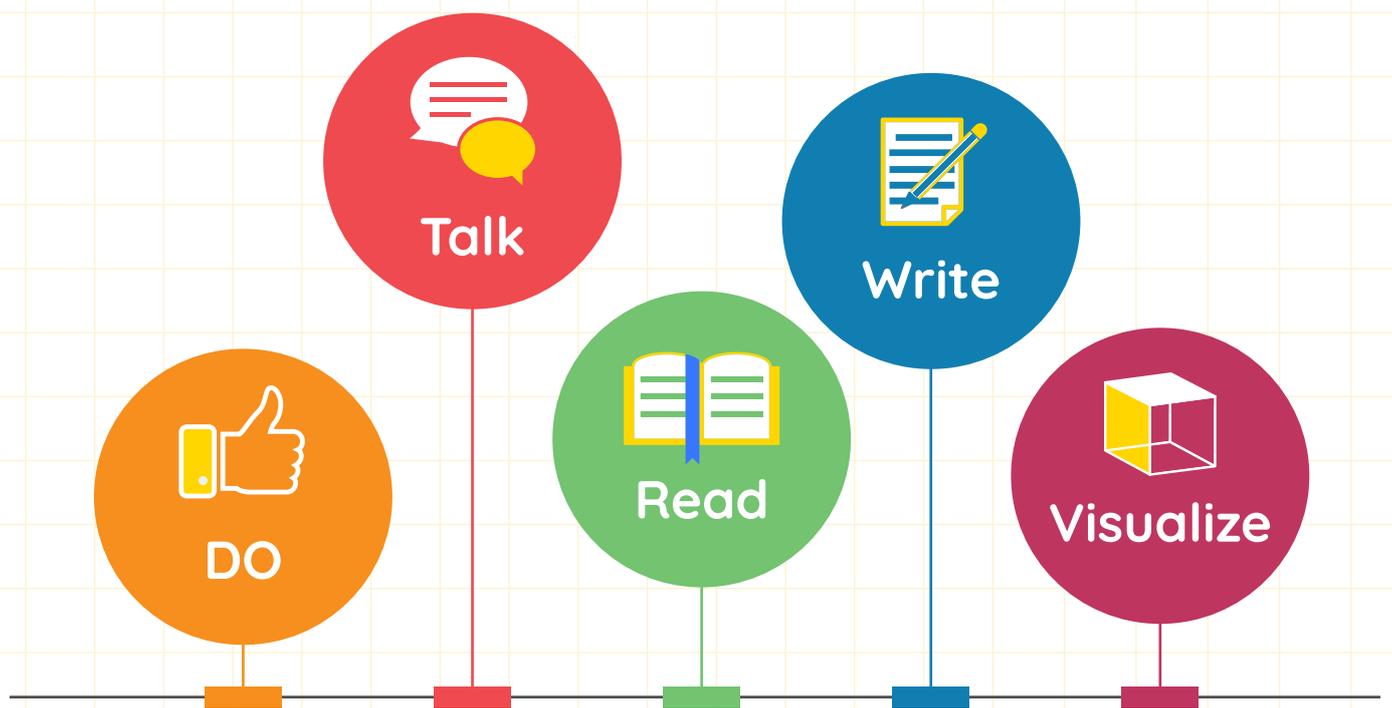

A smart scanning device that captures your child's written work and turns it into meaningful learning insights. By understanding how your child solves problems and expresses ideas, Doodle helps tutors provide better, more personalized guidance.

# Our unique **teaching pedagogy**

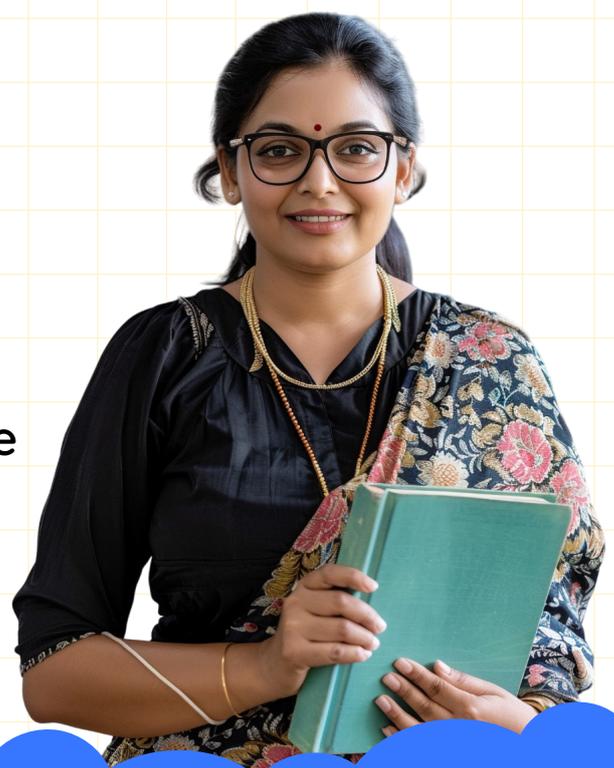

We follow a very unique pedagogy for every lesson - Do - Talk - Read - Write - Visualize. This approach ensures quicker grasping of the concept and longer retention.

## Our **educators**

- Post graduates in Education and English
- 5 years + teaching experience
- 100 + students taught

# Why parents love **Unbox English**

# Parents Google Review

“

Had a great experience with the teacher Miss Amrita assigned to my son. She made everything so interactive and understandable keeping the child engaged throughout the session. Big thanks to her and to the platform-Bambino's for running such an organised and perfect academic platform.

**Aruna M**

“

My son had a great experience as the teacher was really well aware of the details and curriculum. Anshu Chaudhry was awesome with my kid as she was very interactive and inquisitive about the thoughts and ideas about my kids during the session.

**Shruti Kumari**

”

“

Bambinos is a great platform and very helpful for the kids for a great learning journey . My special recommendation is to go for Zarghona maam. She is a great teacher n we totally love her for the turnaround she has done. Thank u ma'am.
