

La danza ritual del fuego.

El Amor Brujo from which our next selection comes, is an excellent example of how ^{folk} the concepts of Ancient Andalusian music were used by Manuel de Falla, in his own work & in so doing, created a new musical language ^{which was both unique & exotic}.

Ancient mystical beliefs ~~surrounding~~ ^{surrounding} Destiny ~~and witchcraft~~ ^{and witchcraft} a mystery ^{of fantasy & enchantment} ~~of fantasy & enchantment~~.

At 12 midnight, the Spectre of a dead gypsy has just come around to terrorize a beautiful ^{young} gypsy ^{woman} named Candelas. She is determined to free herself from his obsessive love by casting her own magic spells. The clock strikes 12 in the distance. The other gypsy women return to the Andalusian Cave on Sacred Mountain. They are carrying their oil lamps ^{and} ^{the} bonfire is lit. Candelas ^{risks} ^{her} ^{own} ^{life} to dance the Fire Dance. She throws a handful of mease on the fire while the other women begin the Midnight Rites.

she has been revealing

Torre Bermeja means The Tower of Red Earth. It took its name from the colour of a particular type of red clay that was used in its construction during the time the Arabs were in Spain.

The Arabs had built many such towers along the coast of Andalusia mostly for defence purposes.

~~An addition to~~ ^{We are going to hear} a most beautiful melody such a ^{melody} ^{which} ^{was} ^{so} ^{predominant} ⁱⁿ ^{the} ^{music} ^{of} ^{the} ^{Andalusians} ^{and} ^{the} ^{guitar} ^{which} ^{made} ^a ^{huge} ^{contribution} ^{to} ^{the} ^{exotic} ^{sound} [&] ^{unique} ^{style} ^{of} ^{Spanish} ^{music}.
There is room to give me in our final selection ^{of the evening} ^{TORRE} ^{by} ^I ^A
