

Privacy Policy of Bard: AI Story Generator

Types of Data Collected

Our app is designed with privacy in mind. All data processing, including the creation of stories and illustrations, is performed server-side. No personal data is collected or stored by the app.

Mode and Place of Processing the Data

Methods of Processing

We employ strict security measures to ensure that your data remains private and secure, preventing unauthorized access, disclosure, alteration, or destruction.

Additional Information about Data Collection and Processing

We do not store, sell, or share any personal data.

System Logs and Maintenance

For the purpose of operation and maintenance, Bard and any necessary third-party services may generate system logs. These logs are strictly for internal use and help ensure the smooth functioning of the app.

Changes to This Privacy Policy

We reserve the right to modify this privacy policy at any time. Users will be notified of any changes through the app and are encouraged to review the privacy policy frequently. The date of the last modification is always noted at the end of this document.

Information for Californian Consumers

This section supplements the information above for users residing in California, USA, in accordance with the California Consumer Privacy Act of 2018 (CCPA). For these users, the rights and responsibilities outlined here take precedence over any conflicting sections of the privacy policy.

Questions, Concerns, or Complaints

If you have any inquiries or feedback regarding our privacy policy, please contact us at lugookeke@icloud.com

By using Bard: AI Storytime, you entrust us to enrich your child's imagination safely and securely. We are committed to upholding this trust with the highest standards of privacy and data protection.
