

Second Call for abstracts

EMA and the Swedish Association of Midwives welcome all subjects within the theme how the midwifery education can develop forward to the 21st Century. We would like to set a focus on how to develop midwifery competence, transcultural understanding and student-centred learning in midwifery education

- Abstracts should be original work and written in English, the Conference language.
- Abstracts must not exceed a maximum of 300 words and include the sub-headings: Background, Aim, Methods, Results, Conclusion and Grant support.
- Abstracts must be submitted by March 31st for consideration by the Scientific Committee.
- Authors will be notified of abstracts by May 15th 2019 and will also be notified if the abstract has been selected for an oral, workshop or poster presentation.
- Submit your abstract at emaeducation2019.se
