

Warmly Welcome

to a Knowledge Exchange Seminar between the Ghana Registered Midwives' Association (GRMA) and the Swedish Association of Midwives (SBF)

on August 25th, 2021

This online seminar is organized to create a space where members from GRMA and SBF can exchange ideas and knowledge with each other online. We aim to make this a recurrent series with inspiring themes based on the need and interests of the union's members and representatives.

The focus of this initial seminar is to discuss the transition from being a professional organization to becoming a labour union, an experience our two countries have in common.

Time: August 25th at 4 PM Ghana time, 6 PM Swedish time

4.00–4.20
(+2h for Sweden)

Presentation by SBF:s regional branch - Dalarna

The session will start with a presentation from representatives of the local branch of SBF Dalarna. Possibilities and difficulties they have experienced in the transition from a professional organization to a union will be shared.

4.20–4.40

Presentation by GRMA

Possibilities and difficulties experienced by a regional branch of GRMA in the transition from a professional organization to a union will be shared.

4.40–5.00

Joint Discussion - members and representatives

Discussion and sharing experiences between members and representatives from the two unions. Questions can be posted in the chat or via the raise hand function in zoom. The moderators will guide the discussion.

5.00–5.10

Key take away points

A short summary of key takeaway points
