- Nosing 1/8"
- Rise 7 3/4" max.
- Stair railing 30" to 34" above nosing.
- Tread 10" min.
- Width of stairs 36" min.

Note: Great care and effort have gone into the creation of the design and engineering of these plans. However, the actual construction and because of the great variance in local building code requirements and other local building and weather conditions, Atlanta Plan Source, Inc. assumes no responsibility for any damages, including structural failures due to any deficiencies, omissions, or errors in the design. In any instance, the maximum liability of Atlanta Plan Source, Inc. shall be a refund of the purchase price of the home plans. These home plans are prepared by a professional engineer or architect and are intended for use by a licensed contractor. All plans are prepared for local building codes and are subject to change without notice. Additional engineering may be required to comply with seismic, wind, or other special conditions as required by local building codes.
