

Blockchain Sports Cookie Policy

LAST UPDATED 1 December 2023

1. Foreword

The Company enables users (“**User**”) of the website <https://bcsports.io/> (“**Website**”) to benefit from an enhanced user interface. Blockchain Sports is a sports entertainment platform where Users can engage with athletes and teams and build connections with the global sports community. The Website provides a marketplace for Users to acquire, collect, and exchange collectibles and their underlying non-fungible tokens based on blockchain technology (collectively, the “**Services**”).

To enable Users to benefit from the Services offered by the Website such as its consultation, optimization of its use or personalization according to the User, the Website uses cookies.

You can deactivate cookies to which you have consented at any time, free of charge, using the deactivation options offered to you and listed below.

2. What is a cookie?

2.1. When you browse out the Website, information relating to the navigation of your terminal (computer, tablet, smartphone, etc.) on the Website may be recorded in text files called "cookies", placed on your browser. Cookies will be used to recognize your browser for the duration of the cookie's validity and return certain information to the Website (such as a session identifier or language choice).

2.2. Only the sender of a cookie can read or modify the information contained in it.

2.3. There are different types of cookies:

- session cookies that disappear as soon as you leave the Website;
- permanent cookies that remain on your terminal until their lifetime expires or until you delete them using your browser's functions.

2.4. You are informed that, during your visits to the Website, cookies may be placed on your terminal equipment.

3. Purposes of cookies placed on terminal

3.1. Some cookies are essential to the use of the Website: these are technical cookies used by the Website host for the technical management of the network.

3.2. Others are used to analyze the frequentation and the use made of the Website, in order:

- to make it evolve in the sense of an improvement of the experience of navigation, in the final objective to propose you a Website always more adapted; to conduct studies;
- to memorize your browser's display preferences (language used, display parameters, operating system used, etc.) and to adapt the presentation of the Website to the time of your visits, according to the hardware and software of visualization or reading that your terminal equipment includes and which are used for navigation on our Website;
- to implement security measures.

4. Personal Data processed

4.1. Cookies used on our Website are:

- Blockchain Sports's cookies ;
- third party cookies chosen by Blockchain Sports in order to achieve certain objectives

4.2 Cookies placed by Blockchain Sports and third parties are the following:

Name	Purpose	Retention period
csrftoken	"_ga', the main cookie used by Google Analytics, enables a service to distinguish one visitor from another and lasts for 2 years. Any site that implements Google Analytics, including Google services, uses the '_ga' cookie."	2 years
_ym_isad	This cookie is used by Yandex Metrica, a Russian web analytics service. It is used to determine whether a user has ad-blocking software in their browser, which would prevent the site from showing ads.	2 days
_ym_uid	Also from Yandex Metrica, this cookie assigns a unique ID to a visitor to track users' behavior on the website. It helps website owners to analyze their audience and improve site performance.	1 year
_ym_d	Another Yandex Metrica cookie, this one stores the date of the user's first site session. This can be used to identify when a user first visited the site.	1 year
_ga	This is a Google Analytics cookie that assigns a unique ID to each visitor to track their use of the site. It is used to calculate visitor, session, and campaign data for the site's analytics reports.	2 years
NEXT_LOCALE	This cookie is likely related to website localization and is used to store the preferred language setting of the user for the site to display the correct locale on subsequent visits.	session
auth-token	This cookie is typically used for maintaining a user's authentication state. A website will use this token to	session

Name	Purpose	Retention period
	recognize the user on subsequent visits and allow them to remain logged in or access restricted resources.	
csrftoken	This cookie is commonly associated with CSRF (Cross-Site Request Forgery) protection. It is designed to help prevent unauthorized commands from being transferred while a user is logged into a web application. By setting a unique token that must be included with every form submission, it ensures that the request is coming from the legitimate user.	session
sessionid	This cookie is commonly used for session management. It holds a unique ID for the session to identify a user's interaction with the website over a session, allowing the persistence of data like login information, preferences, and shopping cart contents.	2 weeks

4.3. The placement and use of cookies by these companies is subject to their own terms of use, which you can view on their respective websites.

5. Sharing your terminal use with others

5.1. If your terminal is used by several persons, and when a single terminal has multiple browsers, we cannot be certain that the services and advertisements directed to your terminal equipment correspond to your own use of that terminal equipment and not to that of another User of that terminal equipment.

5.2. Sharing with others the use of your terminal equipment and configuring your browser settings with respect to cookies is your free choice and responsibility.

6. Consent

6.1. When you first visit our Website, you will be asked to accept, configure or refuse the use of some cookies.

6.2. If you do not want cookies to be placed or read on your terminal equipment, a refusal cookie will be placed on your equipment so that Blockchain Sports can record the information according to which you have refused the use of cookies. If you delete this refusal cookie, it will no longer be possible to identify you as having refused the use of cookies.

6.3. Also, when you accept the deposit of cookies, a consent cookie is placed.

6.4. Refusal or consent cookies must remain on your terminal equipment. You can change your choices at any time by clicking here.

7. Cookie management

7.1. You can manage and modify the use of cookies at any time according to the possibilities listed below:

- directly on our Website, in the module provided for this purpose, or
- from your browser.

7.2 Please note your refusal to place a cookie is based on the deposit of a cookie. Therefore, if you deactivate all cookies on your terminal or if you change your terminal, we will no longer know that you have chosen this option.

7.3 Cookie management module

7.4. A module allows you to choose which cookies you wish to accept and which you wish to reject on our Website.

7.5. At any time, by clicking here you can access the module and change your preferences.

7.6 Navigation software settings

7.7. You can configure your browser so that cookies are stored in your terminal equipment or are rejected, either systematically or according to their sender.

7.8. You can also regularly delete cookies from your terminal via your browser.

7.9. However, don't forget to configure all the browsers on your various terminals (tablets, smartphones, computers...).

7.10. Each browser is configured differently in order to manage cookies and your choices. It is described in the help menu of your browser, which will allow you to know how to modify your choices regarding cookies.

7.11. Please note, however, that by setting your browser to reject cookies, certain features, pages and areas of the Website that require the use of cookies will not be accessible, for which we cannot be responsible.

8. Personal Data Protection

8.1. Within the framework of the use of cookies as described on the present page, the Blockchain Sports is likely to process Personal Data concerning you, such as IP addresses, in its capacity as data controller.

8.2. Third-party cookies on the Website are set by external processors, which are likely, if you accept these cookies, to process Personal Data about you.

8.3. The issuance and use of these cookies by third parties is subject to their own privacy policies. For more information about these processes, you can refer to their privacy policies.

8.4. The data collected is essential to achieve the objectives pursued by each cookie. It is only intended for the authorized departments of Blockchain Sports and/or the company issuing the third-party cookies.

8.5. Personal Data about you may be transmitted to service providers located in third countries outside the European Union.

8.6. These data transfers are governed by a cross-border flow agreement established in accordance with the contractual clauses issued by the European Commission and currently in force.

8.7. Personal Data collected via cookies is never kept longer than necessary to achieve the purpose of the cookie and, in any case, not more than 13 months.

8.8. For more information, including how to exercise your rights, see our [Privacy Policy](#).
