

G4 Field shirt - 301 - Male

MATERIAL SPECS: 152 g/m2 Modacrylic/Viscose/Nylon Jersey
185 g/m2 VTX Ripstop Stretch NyCo

Our next generation of Field Apparel features innovative, custom stretch VTX Ripstop™ fabric. Designed as a tailored utility shirt, the integrated stretch allows for a slimmer cut while maintaining maximum mobility—even under body armor. Chest pockets are low profile with flaps engineered to be tucked in for ease of access. Zippered shoulder pockets reduce bulk while still allowing room for all essential gear. Designed for use with our removable AIRFLEX™ SERIES ELBOW PADS.
